# Fifth Grade Flash

---

Vol. 1 No. 4

Mrs. Latteman's and Ms. Alley's Class

September 22, 2008

## Cake and Pie Auction

Thanks to all those who purchased the teachers' baked goods after the Knights of Columbus Spaghetti Dinner on Saturday. The funds raised from the auction will help pay for professional development activities for our staff.

## Social Studies

Students have been learning about Native Americans and will be studying the characteristics of regional tribes through various activities this week.

## Late Assignments

Late assignments are becoming a problem. Too many students are coming to school unprepared and without needed books and materials. We ask your help in checking the planner and helping your child organize for school. Organization is our LIFESKILL for September.

## "All About Me" Books

Students should be finished now with a cover page, an auto-biography and self portrait, and a family portrait. Work is also underway to finish the "I Like Me" page. Please ask your child about their progress.

## Sept. Book Report

The due date is September 30, and students are reminded to begin working on the report and illustrations this week. Refer to the Rubric for our expectations and to achieve the desired grade.

## Calendar

- 9-22 Go Green for God's Creation
- 9-25 STUCO Skating Party
- 9-26 Latteman - Mass  
Special A: Computers
- 9-30 Book Report due
