Mrs. Latteman's Class

October 6, 2008

Class Auction Item

Our class auction item will be a photograph taken by Mrs. McCune (Alley-5th Grade). Parents, we need your "old" class ring for the picture on Tuesday afternoon! Start digging! If you cannot find yours perhaps we can borrow a ring from the other 5th Grade class.

Power School

Grades are now posted for you to peruse. Assignments designated "absent" cannot be made up and are not included in the average. Missing assignments are counted as a zero in the average until turned in. This can really hurt a grade average! We have only two more weeks before the end of the first quarter.

Picture Retakes

If you want your child's picture retaken, please return your original packet by Wednesday, Oct 8. LifeTouch will be here for retakes on Oct 14.

Writers Workshop

"My Most Memorable Birthday" page is due by Wednesday. All other pages should have been turned in by now. Please check Power School. We are also working on another creative writing project entitled Ghoul Scout Cookies due Oct 15. Check with your child on the details - criteria was handed out in class.

A Christmas Carol

We will be attending the KC Repertory Theater production of "A Christmas Carol" on Wed., Dec. 17. Thank you to all our parents who sent in money to go with us. All extra tickets are sold and your spot is reserved!
