Mrs. Latteman's Class

November 3, 2008

Auction

It's time once again for the school auction and this year's event entitled "High School Reunion" promises to be a fun and exciting evening! We all look forward to seeing you there on Saturday night! Our class' auction item was created by Mrs. McCune (5-Alley) with the help of our head room parent, Anita Hinck. Thanks, Anita, for your idea and creative expertise! I can't wait to see it!!

CiCi's Pizza Night

A big THANKS to all who came out for pizza on Oct 23rd and helped our class win the pizza party with the most attendance! We will be looking at the school lunch menu and deciding which day looks promising for our party.

Math

With the Chapter 3 test behind us, we will begin Chapter 4 this week focusing on Division. It would behoove students to begin reviewing multiplication facts for this unit!

October Book Report

Be sure and stop by our room to see the wonderful biography book reports displayed in the hallway. The students did a terrific job!

Social Studies

The rubric and directions have been distributed to students for the upcoming Explorer project. Students will be assessed in three curricular areas for this project: social studies, language arts, and technology. Adequate class time will be given to work.
