Hello First Grade Families!!

We are on our way and still trying to master our procedures and schedule! Thanks for coming this past Tuesday, we appreciate your dedication and Sense of Humor!! Every year it seems to never fail that you get to enjoy laughing at us. (All in good fun though)

We have been very busy working on our Lifelong Guidelines pledge and learning about the different qualities that we are all pursuing in St. James. In reading, we have been working on those vowels and are gearing up to send home some books soon.

In math, we sent home a Parent Letter for our first unit. We have been working on establishing routines with math throughout the day. In Faith First, we have been continuing to discuss God's love for us and how God is the Creator of everything.

P.S. Upcoming Events include:

Watch out for information coming home about Grandparent's Day in the School Newsletter and for Smart Club Choices.

Sincerely,

First Grade Team
Christine Steinmetz and Dara Dannen
