Hello First Grade Families!!

We have had another awesome week in first grade! In Faith First, we have been working on Who God is, how He is the Son, Who Jesus is, and how the qualities of Christ are the ones we are seeking. In reading, we are continuing our vowel sounds and rules and writing different words using the rules. We have been testing diligently to find approximate reading levels. In math, we have been studying for our upcoming Unit 1 test. The practice sheet has come home as homework for you to review the concepts that will be tested. For example, numbers before/after, counting on the number line, writing their numbers, counting by 2's and 5's, and tally marks. We have started in our handwriting books, please make sure when writing at home to encourage the use of lowercase letter writing. We want them to have a mental picture in their mind of the lowercase letters. Thanks!

P.S. Upcoming Events include:

September 19th– All School Student Retreat, this day will be spent with our Family Groups including Adoration and a Prayer Service. Look in the school newsletter to find more information on that.

September 22nd– Go Green Day we will be celebrating school wide with engaging each student in environmental stewardship. This will be an afternoon activity starting at 1:15. A change of clothes and shoes will be needed for that day.

October 3rd-Grandparent's Day! Please return RSVP forms, they are due the 19th. Find more info. on that on the school website. Thanks.

Friday Specials Schedule- This Friday was computer and next Friday the 19th will be Art. Sorry for any confusion! This will be a Day A for next Friday. (Art, PE, Computer)

Have a Great Weekend!

First Grade Team
