Hello First Grade Families!!

In Faith First, we are in Unit 5 which is called Jesus Shows God's Love. We talked about his death, resurrection, and the ascension of Christ. Notice on the last page of these chapters are some fun ideas that you can do with your family to reflect on what we talked about throughout the week. In Math, we have been working on counting on the number line, addition facts, time to the hour, and sums of 10. Please keep practicing counting on number lines with your kids. As homework is coming home, please keep returning the homework baggie as well. Keep in mind to have your student label their homework papers. Books in the baggies have to be returned the next day no matter what. We use those in the reading groups each day and we will be short books if they are not returned.

P.S. Upcoming Events include:

October 3rd-Grandparent's Day! Please look in the newsletter to inform your special guest to where they should be sitting during Mass that day. Students will be brought to them in church that morning. Thank you for your donation of \$2 on Monday, we were able to raise enough money for our Special Surprise!

October 6th– No School. Professional Development for Teachers

October 9th– Burr Oaks Study Trip, Please send in our permission slips by October 1st.

Thanks!

Friday Specials Schedule- (Art, PE, Computer)

Next Friday, No Specials on October 3rd so Regular Uniform! Thanks.

Have a Great Weekend!

First Grade Team
