
ST. JAMES SCHOOL REGISTRATION 2010-2011 AUCTION AGREEMENT

PARTICIPATION AGREEMENT

The annual school auction positively contributes to our school budget each year. The profits from our annual auction help to keep our registration and school fees from significantly increasing each year. We are able to keep these increases to a minimum due to the profits of our annual auction. Participation in the annual auction is required of all school families for fulfillment of your financial commitment to St. James School. This obligation can be fulfilled through participation or the "buy out" option.

This commitment needs to be fulfilled to meet your financial obligations for the 2010-2011 school year. The completion of this financial commitment will be required for re-enrollment of your child next year.

Select one of the following options:

- I will participate in the annual auction. (This may include donating/procuring auction items, working the auction, and attending the auction.)

- I will "buy-out" with regards to the auction in order to fulfill my commitment. My "buy-out" fee of \$350.00 is due before the auction.
