#### **Your Tithe Matters**

**We are blessed to be a ministry of St. James Parish. As a ministry of our parish we have a responsibility. We want to continue the quality of our education here at St. James School so it is important that all of us remain faithful to our commitment to catholic education. This commitment comes in several forms, whether that is through volunteering at school, serving on a committee, working with a parish ministry and or fulfilling your financial commitment. This financial commitment is through your tithing contributions. Too many times we take this for granted and we want to say thank you for the sacrifices you make to ensure the success of our parish school. Please be sure your current pledge card is on file with the parish office and your tithing commitment is up to date.**

**If you are attending another Catholic parish, please contact the school office at 816-781-4428 for further information.**
